Dear Guest,

We look forward to welcoming you aboard your 10-Night Ultimate Caribbean Cruise departing from Fort Lauderdale on January 19, 2018, but first we have an important update to share with you.

As you're likely aware, several Caribbean Islands are still in the process of recovering from recent storm damage. The island of St. Maarten, in particular, was significantly affected. Though the St. Maarten cruise terminal has recently reopened, marking an important step in the rebuilding process, we believe the island is not yet ready to receive Celebrity guests. To that end, we'll be replacing St. Maarten with the stunning islands of St. Kitts and St. Thomas to ensure you have the best possible vacation experience.

In St. Kitts and St. Thomas, we're arranging a wide variety of in-depth shore excursions for you to choose from. Once we have them finalized, we'll send you all the details you need to plan your excursions and book them before you sail.

If you had shore excursions booked in St. Maarten, you'll automatically receive a full refund back to the form of payment used to book your excursions.

For your convenience, we've included the original itinerary and the revised itinerary here.
