Dear Travel Partner,

We look forward to welcoming your clients aboard Celebrity Constellation® for their upcoming President's Cruise departing from Abu Dhabi on March 11, 2018, but first we have some exciting news to share.

To provide your clients with the richest and most memorable vacation possible, we've added an additional port to their itinerary, while leaving everything else intact. By working closely with our Marine, Deployment, and Shore Excursion teams, we've been able to replace the scheduled sea day on Monday, March 19 with a visit to the breathtaking city of Muscat, Oman.

We're arranging a wide array of in-depth shore excursions for your clients to enjoy in Muscat, including a scenic cruise aboard a classic wooden dhow boat, a fully guided tour of the city's many cultural and architectural wonders, and luxurious high tea service at Al Bustan Palace. Once all the excursions are finalized, they'll be available to book online.

Our visit to Muscat will also result in a slight delay to our arrival in Khasab the following morning. We've included the original itinerary and newly revised itinerary below for you and your clients' convenience.
