Dear Guest,

We look forward to welcoming you aboard your 14-Night Azores and Ireland Transatlantic Cruise, departing from Fort Lauderdale on April 22, 2019, but first we have some important information to share.

Due to the uncertainties of tendering into the port of Waterford, Ireland we've revised the itinerary. To ensure your best vacation experience, now we'll be docking at Liverpool, England, a European Capital of Culture. This new port features a dock to make disembarking and returning to the ship quick and easy.

If you've already booked shore excursions in Waterford, you will receive your refund to the original form of payment. Fascinating shore excursions in Liverpool will be available to book before your cruise.

For your convenience, we've included your current itinerary and your newly revised itinerary below.
