Dear Guest,

We look forward to welcoming you aboard your 10-Night Ireland & Iceland Cruise departing from Dublin, Ireland on May 06, 2019, but first we have an important update to share with you before we set sail.

Due to the uncertainty of tendering into the port of Lerwick/Shetland, Scotland on May 13th, we are replacing that port with a visit to the stunning seaside town of Cork (Cobh), Ireland on May 14th instead. Cork has a dedicated docking pier that will make stepping off the ship and going on with your vacation simple and carefree.

We're arranging a wide variety of in-depth shore excursions for you to choose from in this new port of call. Once we have them finalized, we'll send you all the details you need to plan your excursions and book them before you sail.

If you had shore excursions booked in Lerwick/Shetland, Scotland, you'll automatically receive a full refund back to the form of payment used to book your excursions.

For your convenience, we've included the original itinerary and the revised itinerary here.
