

August 16, 2018

Dear Guest,

We look forward to welcoming you aboard your 12-Night British Isles Cruise, departing from Amsterdam on August 13th, 2019, but first we have some important information to share.

Due to the uncertainties of tendering into St. Peter Port, Channel Islands, we've revised the itinerary. To ensure your best vacation experience, now we'll dock overnight in Cork, Ireland, the location of colorful Irish pubs and the famous Blarney Castle. We'll also visit the white cliffs of Dover, England, in place of Edinburgh, Scotland. These new ports feature docks that make disembarking and returning to the ship quick and easy.

If you've already booked shore excursions in St. Peter Port or Edinburgh, you will receive your refund to the original form of payment. Fascinating shore excursions in Dover and Cork will be available to book before your cruise.

For your convenience, we've included your current itinerary and your newly revised itinerary below.
