

October 23, 2018

Dear Guest:

We look forward to welcoming you aboard Celebrity Millennium® on October 12, 2019, for your 14-Night Japan, Korea, & China Cruise. But first, we have some important news to share regarding our itinerary. We're always looking for ways to create the best possible vacation experience, so we've modified your itinerary with additional time to explore in three exciting destinations, including an overnight stay.

To give you more time in historic Kobe, Japan, we'll depart from Tokyo (Yokohama) two hours earlier and arrive in Kobe 1.5 hours earlier. Our time in Fukuoka, Japan has also been extended.

Due to port congestion in Osaka and Miyazaki (Aburatsu), Japan, we are cancelling these stops and replacing them with an additional sea day and an overnight stay in Kagoshima, Japan. Additional day and evening tours have been created for you to experience the best of Kagoshima.

For the many guests still interested in visiting Osaka, Japan we are happy to advise that our full portfolio of Osaka tours will be available from Kobe. The journey from Osaka to Kobe is approximately 45 minutes and is incorporated into all tours. We will also have a wide variety of tours available for Kobe itself. With our extended time in port there will be plenty of opportunity to experience both of these amazing cities.

Finally, our arrival and departure times in Hiroshima and Kochi, Japan, and Jeju Island, South Korea, have been shifted slightly. You'll still enjoy the same amount of time in each port.

If you had any shore excursions pre-booked for either Osaka or Miyazaki (Aburatsu), Japan, you'll receive a full refund to the original form of payment.

The rest of our itinerary, updated here for your convenience, remains as scheduled.
