Dear Guest,

You recently received an updated itinerary for your upcoming 7-Night Southern Caribbean Cruise on Celebrity Summit® departing from San Juan, Puerto Rico, on October 28. We've made further changes to your itinerary.

We continue to evaluate the situation in the Caribbean, and while several facilities in San Juan suffered significant damage, we remain confident that the airport and cruise terminals will be functional at the time of your sailing, and we continue to work closely with local officials to provide food, water, and generators to those in need.

Further, due to the success of the recovery efforts in St. Thomas, USVI, we're happy to announce that we will be adding a visit to this stunning island back to your sailing. We've removed the stop in St. Croix, USVI from your sailing. For your convenience, we've included the revised and newly updated itineraries for your reference below.
