Dear Guest,

We have some important itinerary changes to tell you about on your upcoming 10-Night Ultimate Caribbean Cruise departing from Ft. Lauderdale on November 17, 2017. Updates from the Caribbean islands are coming in daily, and we're doing everything we can to ensure you have the best vacation possible. We know these changes can be disruptive, but we truly believe we've found an opportunity to make your upcoming sailing even better.

Our teams on the ground in St. Croix haven't been able to determine when the island will be ready to welcome cruise guests again. So, we're replacing St. Croix with a visit to the breathtaking port of Fort De France, Martinique for your sailing.

We're arranging a wide variety of shore excursions for you to choose from in Martinique. Once we have them finalized, we'll send you all the details you need to plan your excursions and book them before you sail.

If you've already booked excursions in St. Croix, you'll automatically receive a full refund back to the form of payment used to book your excursions.

For your convenience, we've included your most recent itinerary and your newly revised itinerary below. You'll also notice that the order in which we visit some of your ports has changed. If you have shore excursions booked in these ports, they will be automatically rescheduled to the new dates.
