

December 6, 2017

Dear Guest,

We look forward to welcoming you aboard your 14-Night Argentina and Chile Holiday Cruise departing from Buenos Aires on December 23, 2018, but first we have some important information to share with you.

We have experienced significant issues with the container port in Valparaíso, particularly with labor interruptions that have increased in the past three years. These interruptions continue to cause docking delays that affect ship schedules and impact guests' travel plans. Also, Valparaíso Port Authority and Terminal Operator have changed their dock booking policy and cannot guarantee docking times scheduled in advance of three months.

So, in an effort to ensure that you have the best experience on your vacation, we've changed your debarkation port from Valparaíso, Chile to the stunning seaside town of San Antonio, Chile. San Antonio has a dedicated cruise ship pier and guest terminal that will make getting off your ship as carefree as your vacation, and it's about the same distance from the airport in Santiago.

If you've booked transfers with us, there's nothing you need to do. We'll take you directly to the airport from San Antonio. If you've booked transfers independently, please contact the company you've arranged your transportation with and have them pick you up in San Antonio instead of Valparaíso. Also, if you've booked any debarkation day shore excursions with us, we'll automatically adjust them to accommodate your new debarkation port.

Your ship will now arrive in San Antonio, Chile at the same scheduled time -- 5:00 a.m. on Sunday, January 06, 2019. For your convenience, we've included your current itinerary and your newly revised itinerary below.
