Dear Guest,

We have an important itinerary change to tell you about on your upcoming 11-Night Dutch Antilles Caribbean Cruise departing from San Juan on December 12. Updates from the Caribbean islands are coming in daily, and we're doing everything we can to ensure you have the best vacation possible. We know these changes can be disruptive, but we truly believe we've found an opportunity to make your upcoming sailing even better.

Our teams on the ground in St. Croix haven't been able to determine when the island will be ready to welcome cruise guests again. So, we're replacing St. Croix with a visit to the breathtaking port of Punta Cana, Dominican Republic for your sailing.

We're arranging a wide variety of in-depth shore excursions for you to choose from in Punta Cana. Once we have them finalized, we'll send you all the details you need to plan your excursions and book them before you sail.

If you had shore excursions booked in St. Croix, you'll automatically receive a full refund back to the form of payment used to book your excursions.

We're also visiting St. Thomas on Wednesday, December 13 instead of Friday, December 22. If you have shore excursions booked in St. Thomas, they will be automatically rescheduled to the new date.

For your convenience, we've included your current itinerary and your newly revised itinerary below.

If you have any questions about your new ports of call, please call us at 1-800-280-3423 or contact your travel agent.

We continue to support the relief efforts for the islands affected by the recent hurricanes, and we're doing all we can to help them welcome cruise ships and visitors once again. We hope you're looking forward to visiting these beautiful islands in the near future as much as we are.

Sincerely,
