Dear Guest,

A few weeks ago, we reached out to provide an update on the status of your 2021 cruise vacation. As we previously shared, recently passed US Government Legislation now permits us to sail in Alaska without the necessity of calling on a port in Canada, which remains closed to cruise ships. This same piece of legislation inadvertently listed the Celebrity Cruises ships originally scheduled to sail in Alaska, which did not include *Celebrity Summit*®. After evaluating the situation, we have determined that in order to comply with the new law, *Celebrity Millennium*® must sail roundtrip from Seattle in Alaska.

Specific to your future sailing in Alaska, our adjusted plans will require a change of ship to *Celebrity Millennium* which has also recently been refreshed and revolutionized. Everything else shared previously will remain the same, including your departure date from Seattle, cruise itinerary and stateroom category. No further action needs to be taken on your part as our Customer Service Teams are working to automatically move your reservation to *Celebrity Millennium*. Once the process is complete you will receive a refreshed booking invoice via email with your new stateroom number. We anticipate it will take us a few weeks to complete all transactions. Feel free to log-in to your My Celebrity account within the coming weeks and check out everything *Celebrity Millennium* has to offer.

Celebrity Millennium will sail with a vaccinated crew. US Guests 16 years and older must be fully vaccinated with all COVID-19 vaccine doses administered at least 14 days prior to sailing. **As of August 1, 2021, all US Guests age 12 and older must be fully vaccinated.** Requirements for Non-U.S. guests vary, for details please visit <https://www.celebritycruises.com/healthy-at-sea>. Additional testing and protocols will be confirmed closer to your sailing departure date in line with the most up to date recommendations from local government and health officials as well as our Healthy Sail Panel. These measures, including vaccination and testing requirements, will evolve along with public health standards.

Thank you for your patience and understanding as we work through these unique circumstances. If you have any questions, please feel free to contact Celebrity Cruises at 1-844-418-6824 in North America or (316) 554-5961 worldwide. We look forward to welcoming you aboard soon for an amazing Celebrity Cruises vacation.

Sincerely,
Celebrity Cruises
