Dear Guest,

We look forward to welcoming you aboard the *Celebrity Apex*SM for your 8-night Greek Islands cruise vacation. Before we set sail, we have some important information to share regarding our itinerary. Celebrity Cruises has been working closely with health and government authorities, in each country we sail from, to outline a clear path for cruising with new health and safety measures. As we return to service, we are continuously evaluating all itineraries and the status of travel conditions around the world. At this time, out of an abundance of caution, we will be replacing our scheduled calls to Jerusalem and Haifa, Israel, with visits to Dubrovnik, Croatia, Rhodes and Mykonos, Greece.

For your convenience, we've included our revised itinerary below.

While visiting the Greek Islands, on-your-own tours will be permitted in Athens, Santorini, Crete and Rhodes, Greece along with Dubrovnik, Croatia. However, Celebrity Cruises shore excursions will be required in Mykonos, Greece. Please note, unvaccinated guests and families with unvaccinated children may only go ashore on tours provided by Celebrity Cruises. Guests with Shore Excursions in Jerusalem and Haifa, Israel, booked through Celebrity Cruise Planner, will automatically receive a refund to their original form of payment. New excursion opportunities for Dubrovnik, Croatia, Rhodes and Mykonos, Greece will be available to book online and onboard. Guests with independent arrangements should contact their tour operators as soon as possible.

Celebrity Apex will sail with a vaccinated crew and at least 95% of guests fully vaccinated. Guests 12 years and older must be fully vaccinated with all COVID-19 vaccine doses administered at least 14 days prior to sailing. For details on our current health and safety protocols please visit <https://www.healthyatsea.com>. Face masks must be worn onboard, both indoors and outdoors, except while eating, drinking or in your stateroom. Masks will also be required ashore based on local regulations. We're sailing with fewer guests for more space – and more luxury with even more activities to avoid large gatherings in public spaces. Additional testing and protocols will be confirmed closer to your sailing departure date in line with the most up to date recommendations from local government and health officials as well as our Healthy Sail Panel. These measures, including vaccination and testing requirements, will evolve along with public health standards.

We apologize for any inconvenience these changes may cause. We're confident they will deliver a more satisfying vacation experience. If you have any questions, please feel free to contact Celebrity Cruises at 1-844-418-6824 in North America or (316) 554-5961 worldwide.

Sincerely,
Celebrity Cruises
