**Celebrity Cruises** will operate and organize your cruise aboard one of our ships. In order to maximize your cruise vacation experience, Celebrity Cruises requires some of your data concerning required accommodations due to your disability or special needs.

For this purpose, we ask you to inform us of any accommodations needed due to your disability, special needs or dietary restrictions with the following Special Needs Form and to give us your consent for the respective use of this data:

We will use your data to adapt your cruise to your special needs. The specific use of your data depends on your needs and indications made in the Special Needs Form. For example, this use could include informing certain crew members of your mobility or dietary issues or that you may bring along a service dog or preparing special meals to meet your dietary requirements.

If you have booked a shore side tour or excursion, we will share your information with responsible tour operators if and to the extent necessary to enable your participation in the tour or to adapt the tour to your needs.

When we transfer your personal data to tour operators outside the EU/EEA, the laws and rules that protect your data, in such countries, may be different (or less protective) from your own country. For example, the circumstances in which law enforcement can access your personal data may vary from country to country. Of course, we will only share your data with tour operators that meet our strict requirements regarding the processing of your personal data.

Your consent declaration is **completely voluntary** and you may **revoke your consent** at any time. If you withhold or revoke your consent, this will not have any negative consequences for you. However, in this case, Celebrity Cruises will not be able to adjust your cruise to your special needs and you may not be able to partake in a shore side tour or excursion. Your revocation will not impact the legitimacy of the previous submission and the use of your data based on your initial declaration of consent.

You can find all further information on the processing of your personal data including your rights to access, rectification and erasure of your data in the most actual version of our [www.celebritycruises.com/privacy-policy](http://www.celebritycruises.com/privacy-policy).

I hereby declare that I have read and understood this consent declaration and that
