

May 3, 2022

Dear Guest,

We look forward to welcoming you aboard *Celebrity Eclipse*® for your 7-night Alaska Hubbard Glacier sailing departing May 15, 2022, from Vancouver, British Columbia. Before we set sail, we wanted to share some information with you about our itinerary.

Due to recent marine growth that has developed on the ship's hull (a natural process that you might know as barnacle growth), and our commitment to following local environmental procedures, the ship is experiencing lower speeds than typical, and we have to adjust for this in our ports of call timings. This will result in shorter time spent in all ports of call.

For your convenience, we've included our revised itinerary below.
