

Dear Guest,

We look forward to welcoming you aboard *Celebrity Eclipse*® for your 7-Night Pacific Northwest cruise. Before we set sail, we have some information to share regarding our itinerary.

The Pacific Northwest is a unique destination, with rocky cliffs, breathtaking scenic views, and incredible wildlife to observe from onboard. Annually, whales travel in their migration patterns along the Pacific Northwest Coastline. For years, we have followed NOAA (National Oceanic Atmospheric Administration) best practices for protecting their journey and now, as an additional measure to keep these majestic animals safe, we have joined a voluntary program to adjust cruising speeds in this area, which will slightly modify your itinerary.

For your convenience, we've included our revised itinerary below.

- Our stop in Santa Barbara, California has been shifted slightly to depart at 2:00pm.
- Our stop in San Francisco, California has been shifted slightly to arrive at 1:30pm.
