

## ITINERARY MODIFICATION

January 4, 2022

We look forward to welcoming you aboard *Celebrity Edge*<sup>®</sup>, for your upcoming Caribbean cruise. Before we depart, we have some important information to share regarding your itinerary. Celebrity Cruises is continuing to work closely with health and government authorities, to protect the well-being and safety of everyone onboard as well as the destinations we visit. We are also continuously evaluating all itineraries and the status of travel conditions around the world. This means some of our sailings will need to be modified.

Specific to your future sailing, new port regulations regarding COVID-19 protocols will require us to replace our originally scheduled call to San Juan, Puerto Rico with a relaxing day at Sea. We will also be adding a visit to the port of Nassau, Bahamas to our schedule. For your convenience, we've included the revised itinerary below.

Excursions for San Juan booked through Celebrity Cruise Planner, will automatically be refunded to your original form of payment. Guests with independent arrangements should contact their tour operators as soon as possible to make needed adjustments. New excursion opportunities in Nassau will be available for booking online through Celebrity Cruise Planner and onboard. Please note, families touring with unvaccinated children may only go ashore when participating in a Celebrity Cruises Shore Excursion.

We apologize for any inconvenience. We're confident these changes will provide all of our guests a more enjoyable cruise vacation. We look forward to welcoming you aboard soon for an amazing Celebrity Cruises vacation.
