Dear Guest,

We have some urgent information to provide regarding your upcoming 14-Night Southeast Asia sailing, departing from Singapore, on February 29th, 2020 aboard Celebrity Millennium®

As you may be aware, China is currently experiencing an outbreak of coronavirus. Due to the rapid spread of this virus the World Health Organization (WHO) has just declared the outbreak a Public Health Emergency of International Concern. A Public Health Emergency will allow all governments to proactively dedicate resources and attention to preventing the spread of coronavirus and ensuring the safety of all citizens and guests. Rest assured, the health and safety of our guests and crew is Celebrity Cruises' number one priority.

To that end, the decision has been made to adjust our itinerary for the Millennium voyage of February 29th by replacing the debarkation and overnight in Hong Kong with calls to Kyoto and Mt. Fuji, Japan followed by debarkation in Tokyo on the 14th. These changes will also require the overnight in Singapore to be replaced with a sea day on March 1st and our overnight in Bangkok, Thailand will be replaced with a call to Taiwan, China. We will still visit all originally scheduled ports in Vietnam, just in a different order.

If you no longer wish to sail onboard the Millennium for the modified February 29th voyage you may cancel your booking and receive a 100% Future Cruise Credit to sail on another date. Alternatively, you have the option of keeping your booking on the new itinerary and receiving up to \$500 per person reimbursement for any airline flight change fees incurred. In order to receive reimbursement, you must send us a copy of the air change fees assessed. Please email to, celebrityengagementcenter@celebrity.com

If you pre-booked any shore excursions through Celebrity Cruises for Singapore, Bangkok or Hong Kong, you'll receive a full refund to the original form of payment. Additional excursion opportunities for Taiwan, Kyoto, Mt. Fuji and Tokyo will be available for booking online pre-cruise and onboard. Guests with independent arrangements should contact their tour operators as soon as possible.

Additionally, any guest who has transited through mainland China or Hong Kong, 15 days prior to embarkation, will be denied boarding and issued a full refund. This includes guests on connecting flights. All guest flights must be free from connections or stops in mainland China or Hong Kong. Guest holding Chinese passports but residing outside of China, or any guest who has been in contact with persons who have visited China or Hong Kong, will receive a secondary health screening.

For your convenience, we've included the revised itinerary below.
