

Dear Guest,

We look forward to welcoming you aboard *Celebrity Millennium®* for your upcoming sailing. As we prepare for this journey, we want to share an important update to our itinerary.

Following the recent earthquake in the Kumamoto region, we have been closely monitoring the situation and remaining in contact with local authorities and port partners. Despite every effort to preserve our original itinerary, we recently received final confirmation that the port is closed to cruise ship operations due to damages it sustained. We understand this change may be disappointing; however, the safety and well-being of our guests and crew remain our highest priority. As a result, on Day 4, we will now visit **Fukuoka, Japan**, in place of **Kumamoto, Japan**, with a scheduled call from **7:00 AM to 4:00 PM**.

We are confident you will enjoy exploring Fukuoka and experiencing all this remarkable destination has to offer. Please see the updated itinerary below:
