

October 21, 2021

Dear Guest,

We look forward to welcoming you aboard *Celebrity Reflection*[®], for your upcoming 8-Night Caribbean cruise, departing from Fort Lauderdale, Florida on December 18, 2021. Before we depart, we have some important information to share regarding your itinerary. As we return to service, Celebrity Cruises is continuously evaluating all current itineraries and the status of travel conditions around the world. This means some of our sailings will need to be modified.

Specific to your future sailing, due to port closures, our scheduled calls to George Town, Grand Cayman and Falmouth, Jamaica will be replaced with visits to Roatan, Honduras and Bimini, Bahamas. We've also adjusted our sail away time to 5:30 PM on December 18.

For your convenience, we've included our revised itinerary below.

While visiting the Caribbean, on-your-own tours will be permitted in Belize City, Costa Maya, Cozumel, and Bimini. However, Celebrity Cruises shore excursions will be required in Roatan. Please note, families touring with unvaccinated children may only go ashore on excursions provided by Celebrity Cruises. Excursions for George Town, and Falmouth, booked through Celebrity Cruise Planner, will automatically be refunded to your original form of payment. Guests with independent arrangements should contact their tour operators as soon as possible to make needed adjustments. New excursion opportunities in Roatan and Bimini will be available for booking online through Celebrity Cruise Planner and onboard.

As a kind reminder, all vaccinated guests are required to present a negative COVID-19 test at the time of embarkation. This test may be taken as either an Antigen or PCR test, conducted within two days of boarding. Unvaccinated children between the ages of two and eleven years old will be required to bring a negative Antigen or PCR test conducted within three days of boarding. These guests will be provided an additional PCR test at the terminal prior to embarkation as well as on the day before disembarkation. The CDC has advised unvaccinated children cannot be tested twice in one day as it may affect the accuracy of the test results, therefore the COVID-19 test required before arriving at the terminal cannot be taken on boarding day. Guests arriving at the terminal without a negative COVID-19 test result may be denied boarding.

We apologize for any inconvenience these changes may cause. We're confident they will deliver a more satisfying vacation experience. If you have any questions, please feel free to contact Celebrity Cruises at 1-844-418-6824 in North America or (316) 554-5961 worldwide.

Sincerely,
Celebrity Cruises
