 5. Any additional travel, accommodation, or other arrangements made in connection with any reward are the sole responsibility of the participant.
 6. Upgrades, Cruise Discounts, Companion Fares, and Cruise Rewards may be capacity-controlled and are subject to availability of accommodation.
 7. Calculation of the value of the Upgrades, Companion Fares and Cruise Rewards for the participant will be consistent with the fare basis applicable to the booking. If the upgrade, companion fare, or cruise accommodations cost more than the maximum value of the MyCruise Reward redemption, the participant must pay the difference.
 8. A MyCruise Reward redemption for Upgrades, Cruise Discounts, Companion Fares, and Cruise Vacations may not be used for any cruise vacations that depart or are at sea on Christmas Day (Christmas Sailings), New Year's Day (New Year Sailings), new ships within their first 13 months in operation (Inaugural Season Sailings) or Galapagos voyages.

The Upgrades or Discounts Reward will not be effective until after you have tendered final payment for the cruise vacation arrangements and the issued reward redemption is electronically sent to Royal Caribbean. Only electronic reward redemptions will be accepted. Facsimiles or any other reproduced form of the MyCruise Reward redemption will not be accepted. You can redeem rewards either directly with Royal Caribbean or through your United States-based travel agency. Travel dates are subject to Royal Caribbean's schedule and are subject to change without notice.
 13. It is the responsibility of the user of the reward to obtain and have possession of valid proof of citizenship or naturalization, vaccination documents and/or visas, as necessary, before boarding a vessel or entering another country.
 14. MyCruise Rewards are considered fully redeemed and used once they have been redeemed for electronic fulfillment. There are no exchanges or refunds for no-shows or unused portions of cruise arrangements obtained with the use of a reward redemption. Name changes, departure date changes and itinerary changes may be subject to penalties such as cancellation fees and/or rate increases as determined by Royal Caribbean. If rate increases or cancellation fees are assessed, those assessments may not be paid for using MyCruise Rewards and/or the original value of a reward redemption. If Royal Caribbean cancels the cruise vacation you have booked, we will offer a credit of equal value of the reward redemption. You are encouraged to review your Royal Caribbean cruise vacation brochure to determine whether or not you should purchase travel insurance in connection with your trip.
