

Where local government regulations differ, we will comply with local requirements. We will continually evaluate and update these requirements and protocols as new information becomes available. Booked guests will be advised of the latest requirements leading up to departure. Please be aware of both homeport country travel requirements and Celebrity Cruises requirements as they may differ. We are continually updating this information which can be found on our website under Healthy At Sea health and travel requirements: [www.healthyatsea.com](http://www.healthyatsea.com). You'll also be notified of the latest requirements leading up to departure via email. Please be sure to register for a guest account so we have your contact information.

To be recognized as fully vaccinated, guests 12 years of age and older, must complete a vaccine series with products from the same manufacturer, with the last dose administered at least 14 days prior to sailing. Crew onboard will be vaccinated.  The governments of the Bahamas, Antigua, Dominica and the US Virgin Islands, have now advised all passengers ages 12 and older, traveling aboard a cruise ship, must be fully vaccinated in order for the ship to be allowed entry into the Bahamas, St. Johns, Roseau, St. Thomas, St. Croix, or St. John. To comply with this requirement, guests ages 12 and older must provide documentation of full vaccination at the terminal as a condition for boarding.
 <b>Homeport Country Requirements</b>	<b>Ecuador</b> All guests 2 years and older are required to show proof of vaccination or RT-PCR 72 hrs. prior to entering country.  A Traveler's Health Declaration Form needs to be presented to airline at time of boarding. <b>Form can be found here:</b> <a href="https://bit.ly/3kCVd7">https://bit.ly/3kCVd7</a>  <b>Galapagos:</b> Effective September 1, 2021, all guests over 16 years of age must show proof of vaccination and present a negative PCR Test conducted 72 hrs. prior to boarding flight.  Travel Insurance with medical and evacuation coverage is a government requirement.	Vaccinated: No test required to enter country.  Unvaccinated: RT-PCR 72 hrs prior to entry  Tourists must fill in the Passenger Locator Form (PLF) no later than 11:59 PM of the day before arriving in Greece.	N/A - Domestic Cruising	All Travelers:  Require NAAT or Antigen 3 days prior to entry into the US.	All Travelers:  Require NAAT or Antigen three days prior to entry into the US.
 <b>Celebrity Cruises Boarding Requirements</b>	All Travelers: Effective September 1, 2021, all guests two years of age and older, regardless of vaccination status, will now be required to present a negative PCR Test conducted within three days of embarkation.	Celebrity will administer a complimentary antigen test at the terminal to guests two years of age and older.  On some sailings, unvaccinated children under age 12, will be required to take a complimentary PCR test that takes about 40 minutes to complete.	Vaccinated: All guests two years of age and older are required to show a negative COVID-19 PCR test result taken within 3 days of embarkation.  Unvaccinated: Unvaccinated children, aged 2- 17 years old, will also be required to take an antigen test at the terminal prior to embarkation and on the day before disembarkation.  This is a three-step process for unvaccinated children. Children aged 2-17 years old do not need to pre-register for their antigen test. Registration and the antigen testing will be completed at the terminal and onboard Celebrity Silhouette. This will be a complimentary rapid test and results will be available within 30 minutes. Guests aged below 6 months are not permitted to travel.	As of September 13, 2021, all vaccinated guests are required to present a negative COVID-19 test at the time of embarkation. This test may be taken as either an Antigen or PCR test, conducted within two days of boarding the ship. Each guest is responsible for making their own arrangements with an accredited testing provider as well as covering all associated costs.  Unvaccinated children between the ages of two and eleven years old will be required to bring a negative Antigen or PCR test conducted within three days of boarding. These guests will be provided an additional PCR test at the terminal prior to embarkation as well as on the day before disembarkation.  <b>While Ashore</b>	Tours provided by Celebrity Cruises are required to go ashore.  In ports where guests are permitted to go ashore independently, all vaccinated guests are permitted to go ashore on their own. All unvaccinated youths or families touring with unvaccinated children may only go ashore if participating in an excursion provided by Celebrity Cruises.  In ports where cruise ship guests are not permitted to go ashore independently, guests are required to take a tour provided by Celebrity to go ashore.	On-Your-Own tours are permitted in Athens, Santorini, Rhodes, and Dubrovnik. On-Your-Own tours will be permitted in Mykonos starting with the September 18, 2021 sailing.  In ports where guests are permitted to go ashore independently, all vaccinated guests are permitted to go ashore on their own.  All unvaccinated youths or families touring with unvaccinated children may only go ashore if participating in an excursion provided by Celebrity Cruises.  In ports where cruise ship guests are not permitted to go ashore independently, guests are required to take a tour provided by Celebrity to go ashore.	All fully vaccinated guests now have the opportunity to go ashore independently and take on-your-own excursions. For unvaccinated guests or for family traveling with unvaccinated children, guests may still go ashore but they must be on an excursion provided by Celebrity Cruises. Excursions provided by Celebrity Cruises are required in Spain and Canaries.  Our ability to provide shore excursions is heavily dependent on local laws and regulations, therefore our shore excursion policy is subject to change and at short notice.	Alaska: On-Your-Own tours permitted in Alaska ports of call.  The local health authorities in Alaska have recommended that all guests, including fully vaccinated persons, wear a face mask while ashore and particularly while indoors. Please be reminded that US regulations require all persons to wear a mask when on public transportation including buses, vans, airports, aircraft and dayboats.  Onboard masks are not required, however, if you decide to go ashore in Alaska, local authorities ask that you wear a mask to protect yourself and the health of others.  In ports where guests are permitted to go ashore independently, all vaccinated guests are permitted to go ashore on their own.
