While visiting the Caribbean, on-your-own tours will be permitted in St. Thomas, St. Maarten, and the Bahamas. Please note, unvaccinated guests and families with unvaccinated children may only go ashore on excursions provided by Celebrity Cruises. Excursions booked through Celebrity Cruise Planner for Nassau, Bahamas and Charlotte Amalie, St. Thomas, will automatically be adjusted for our new arrival times. Guests with independent arrangements should contact their tour operators as soon as possible to make needed adjustments.

As a kind reminder, all guests over the age of two, regardless of vaccination status, will be required to present a negative COVID-19 test result at the time of embarkation. This test may be taken as either a PCR test or an Antigen test, conducted within three days of embarkation. Each guest is responsible for making their own arrangements with an accredited testing provider as well as covering all associated costs. Guests arriving at the terminal without a negative COVID-19 test result may be denied boarding.

We apologize for any inconvenience these changes may cause. We're confident they will deliver a more satisfying vacation experience. If you have any questions, please feel free to contact Celebrity Cruises at 1-844-418-6824 in North America or (316) 554-5961 worldwide.
