Dear Guest,

We look forward to welcoming you aboard *Celebrity Equinox*®, for your 12-Night Ultimate Southern Caribbean cruise sailing from Fort Lauderdale, Florida. Before we depart, we have some important information to share regarding your itinerary. Celebrity Cruises has been working closely with health and government authorities, in each country we sail from, to outline a clear path for cruising with new health and safety protocols. As we thoughtfully plan our return to service, we are evaluating all current itineraries and the status of travel conditions around the world. This means some of our sailings will need to be modified.

Specific to your future *Celebrity Equinox* sailing, we will be replacing our calls to Barbados, Grenada and St. Kitts & Nevis with an additional day at sea and visits to Aruba and Curacao. We've also extended our calls times in Antigua and St. Lucia by two hours. For your convenience, we've included our revised itinerary below.

While visiting the Caribbean, on-your-own tours will be permitted in St. Croix, USVI, Castries, St. Lucia, Oranjestad, Aruba and Willemstad, Curacao. However, Celebrity Cruises shore excursions will be required in St. Johns, Antigua and Roseau, Dominica. Please note, unvaccinated guests and families with unvaccinated children may only go ashore on excursions provided by Celebrity Cruises. Excursions for Bridgetown, Barbados, St. George's, Grenada, and Basseterre, St. Kitts & Nevis, booked through Celebrity Cruise Planner, will automatically be refunded to your original form of payment. Guests with independent arrangements should contact their tour operators as soon as possible to make needed adjustments.

Celebrity Cruises will sail with all crew vaccinated and at least 95% of guests will be fully vaccinated. All sailings departing the U.S. are subject to guidance from the CDC. Currently, the CDC does not recognize any mixed combination of COVID-19 vaccines as fully vaccinated. For sailings departing the United States, to be recognized as fully vaccinated, guests 12 years of age and older, must complete a vaccine series with products from the same manufacturer, with the last dose administered at least 14 days prior to sailing.

As a kind reminder, all guests over the age of two, regardless of vaccination status, will be required to present a negative COVID-19 test result at the time of embarkation. This test may be taken as either a PCR test or an Antigen test, conducted within three days of embarkation. Each guest is responsible for making their own arrangements with an accredited testing provider as well as covering all associated costs. Guests arriving at the terminal without a negative COVID-19 test result may be denied boarding.

We apologize for any inconvenience these changes may cause. We're confident they will deliver a more satisfying vacation experience. If you have any questions, please feel free to contact Celebrity Cruises at 1-844-418-6824 in North America or (316) 554-5961 worldwide.

Sincerely,

Celebrity Cruises
