

October 6, 2017

Dear Guest,

We look forward to welcoming you aboard your 14-Night China & South Korea Cruise departing from Hong Kong on March 18, 2018, but first we have an important update to share with you before we set sail.

To comply with Chinese Immigration Law that now prohibits us from visiting two Chinese ports in a row, we must use one of the itinerary's scheduled days at sea to add a short technical stop in Jeju, South Korea. You won't get off the ship while in this port.

For your convenience, we've included the original itinerary and the revised itinerary here.
