Dear Guest,

We look forward to welcoming you aboard your 14-Night China, South Korea & Japan Cruise departing from Shanghai, China, on April 1, 2018, but first we have an important update to share with you before we set sail.

To comply with Chinese Immigration Law that now prohibits us from visiting two Chinese ports in a row, we must reorder some ports of call. For your convenience, we've included the original itinerary and the revised itinerary here.
