ELEMIS BIOTEC TECHNOLOGY

BIOTEC Anti-Pigment Brightener
This powerful, targeted skin-brightening treatment visibly illuminates the complexion, dynamically treating the appearance of uneven skin tone, discoloration and age spots. A unique complex of brightening actives, ultrasonic peel, and light therapy is combined with precision massage to help wash out melanin and reduce dullness. A peel-off mask of Vitamin C and Daisy extracts reduces pigmentation while mineral-rich Sea Algae intensely moisturizes. The result is skin that is youthful, refined and naturally translucent.

BIOTEC Skin Resurfacer
This revolutionary resurfacing facial addresses skin tone, blemishes and fine lines to transform the texture of the skin. The ultrasonic peel reveals a noticeably smoother complexion, using a combination of Lactic and Hyaluronic acids, Sandalwood, Thyme and Lemon oils. Steam and extraction deeply cleanse and detoxify before massage and light therapy restore equilibrium. Wrinkles and fine lines are reduced to leave a complexion that has never been softer or smoother.

BIOTEC Super-Charger for Men
This is the facial to de-stress, de-age and de-fatigue the male complexion while activating ultimate skin dynamism. A triple hit of ultrasonic peeling, steam and galvanic current delivers a deep clean, simultaneously exfoliating and powering up Kalpariane’s anti-wrinkle properties and Samphire’s hydrating potency. An oxygen infusion is the final blast of energy for real, best-face-forward results. A multi-tasking, time-efficient solution.

BIOTEC ANTI-AGING FACIALS

BIOTEC Line Eraser
Wrinkles are targeted with firming and toning microcurrent pulses to stimulate the skin cells towards dynamic functionality. Circulation is improved, increasing the production of collagen and elastin as the dermis is flooded with super Hyaluronic hydrating activators, sealed with a re-energizing Amber balm. Red and blue light therapy warms and de-stresses the skin while a blast of oxygen delivers a breath of fresh air, effectively ironing out wrinkles and filling in lines. A powerfully rejuvenating facial treatment.

BIOTEC Firm-A-Lift
Rediscover the architecture of your face with this groundbreaking blend of massage and sculpting technology. Circulation-stimulating Arjuna, Gardenia stem cells, and Alaria Esculenta Seaweed are activated by microcurrent pulses to tighten slackening skin. Time is the Ultimate Luxury
There is nothing like time for self. Embrace a moment in solitude or share the relaxation. Arrive early to experience the wonders of The Spa and discover serenity — a place to escape for an hour or a few.

A Soothing Elixir for the Soul
Rich in antioxidants, tea is a mood enhancer. Depending on the selection, tea can calm you prior to a treatment, boost endurance, and improve health while safeguarding the immune system. In addition to tea, drink plenty of water to hydrate and replenish the body.

Immerse Yourself in Wellness
SEA Thermal Suite is a gateway to relaxation. Begin your spa journey by purchasing a Thermal Suite pass. Access to SEA Thermal Suite is included with a Thermal Suite pass. (Bathing suit required; robe and towels are provided.)

Wash All Cares Away
Prepare to receive the most from the selected treatment. Prime the skin and body with a cleanse prior to the service and wash away any impurities — salts, minerals and oils — that can possibly be massaged into the skin. After a shower, wait in the Relaxation Lounge to be whisked away for the ultimate indulgence.

Connect With the Therapist
Healing hands are intuitive, but a conversation with the therapist will help guide and address areas of concern. During the treatment, let the therapist know if there is any discomfort or if the environment — temperature, lighting or sound — requires adjusting. A consultation prior to the service will provide the therapist with important details to make the experience more enjoyable.

Indulge in the Moment
An anticipated period of silence. Close the eyes. Inhale a deep breath. Exhale the breath. Allow the mind to drift away. Enjoy the quiet. Every bit of tension will disappear.

Linger in the Lounge
Extend the spa stay by resting in the Relaxation Lounge after the treatment. The quietude will lull mind and body into a deeper state of relaxation.

Continue the Journey
After the spa experience, explore our ELEMIS Ingredient Wall and browse through spa products — many of which are featured in the treatments. The therapist will provide recommendations to purchase and continue the journey at home.
